

NATIONAL HEMOPHILIA FOUNDATION
for all bleeding and clotting disorders

**The Pennsylvania Chapters
Harrisburg Day
Tuesday, April 18, 2017**

Dear Friends of the Eastern PA Chapter:

I am writing to invite you to participate in our Pennsylvania Awareness Day for hemophilia and von Willebrand disease on Tuesday, April 18, 2017. This is the single most important day for our community regarding advocacy in Harrisburg. We really need your help!

We hope you can join us for the entire day as we make visits to local members of the PA House of Representatives and Senate to discuss significant issues we are facing right now in Pennsylvania. We will also be asking legislators to continue important state funding support to the seven hemophilia programs in Pennsylvania.

You can plan to ride the bus with us from the Plymouth Meeting Mall (leaving about 7:45 am) or drive to Harrisburg. Either way, please help us by participating!

Complete the enclosed application and mail or e-mail to the attention of Lindsay Frei at lindsayf@hemophiliasupport.org. It takes time to arrange for your visits, so the earlier you register, the better.

Details about the day will be forwarded to you once we receive your registration, as well as information about our visit topics for this year.

Thank you in advance for taking time out of your busy schedule to be part of this important effort. We really appreciate it

Sincerely,

Curt Krouse, MS
Executive Director
